**List any courses you have repeated.** You have one repeat of any course and all attempts do count toward the total limit for repeatable credits. Per University policy, students can only repeat 18 credits. More than 18 credits will require a policy exception through the Dean’s office. **My repeated courses are:**

**Grade requirement:** All courses must be passed with a grade of C- or better to count towards prerequisite courses, major core courses, or field requirements. “C- or better” means any grade for which the University awards 1.7 or more quality points in calculating GPA.

It is my responsibility to keep abreast of all benchmarks, graduation requirements, and the department’s requirements. I understand failure to do so could result in being asked to change to a new major and/or delay my graduation. By signing below, I understand and agree with the above statements.
