

Personal Information:

Name: DOUGLAS W. LIPTON
Department: Agricultural and Resource Economics
Rank: Associate Professor
Year of Appointment: 1988

Education:

University of Maryland
Ph.D. in Agricultural and Resource Economics.....May, 1989

College of William & Mary School of Marine Science,
M.A. in Marine Science.....December, 1979

State University of New York @ Stony Brook
B.S. in Biology.....May, 1976

Employment

Assistant Professor and Marine Economic Specialist, Department of Agricultural & Resource Economics, University of Maryland--April, 1988 - July, 1994
Associate Professor April, 1988 to present

Coordinator, Maryland Sea Grant Extension Program--January, 1993 to present

Acting Program Director, Marine Economics and Recreation, National Sea Grant College Program (*IPA*)--October, 1990-July, 1991

Executive Director, Mid-Atlantic Regional Marine Research Program--February, 1993 to 1996

Economist, National Marine Fisheries Service, National Economics Program--June, 1985 to April, 1988

Fishery Biologist, National Marine Fisheries Service, Office of Resource Investigations--January, 1979 to June, 1985

Articles in Refereed Journals

Talks, Abstracts, and other Professional Papers Presented:

Invited Talks

Price determination in the U.S. shrimp market. Presented at the Shrimp Market Workshop of the Int. Inst. Fish. Econ. Trade, Charleston, SC, July, 1984.

Response to "Interdependencies Among Fisheries Management, Fisheries Trade, and Fisheries Development: Experiences with Extended Jurisdiction" by R.S. Johnston and J.R. Wilson, at American Fisheries Society Annual Meeting, Providence, RI, September, 1986.

The Economics of the Fisheries Trade Balance. at American Fisheries Society Annual Meeting, Winston-Salem, NC, September, 1987.

A Review of the NMFS Cold Storage Holding Program. Presented to the Shrimp

Committee, National Fisheries Institute, Orlando, FL, September, 1987.

Chesapeake Bay Fisheries Management. Presented at the 4th Annual Conference on the Economics of Chesapeake Bay, Baltimore, MD May, 1988.

Agricultural Alternatives for Maryland Farmers: A Case Study in Aquaculture. Presented at the Governor's Conference of the Future of Maryland Agriculture, Baltimore, MD, November, 1988.

The Economics and Business of Aquaculture. Penn State Fish Farming Conference, Reading, PA, November, 1989.

Pulsed Generic Advertising: The Case of the Maryland Oyster. Symposium on Seafood Advertising and Promotion, Orlando, FL, October, 1989.

Figuring Cost of Production in Finfish Aquaculture, at Maryland/Virginia Aquaculture Conference, Fredericksburg, VA, June, 1989.

Panelist: Managing Bay Resources. at 5th Economics of Chesapeake Bay Conference, Annapolis, MD, June, 1989.

Discussion: Private Oyster Culture in Virginia (Bosch and Shabman). at Economics of Chesapeake Bay Conference, Annapolis, MD, June, 1989.

The Economics of Mollusk Introductions and Transfers National Shellfisheries Association, Williamsburg, VA, April, 1990.

Aquaculture and the Product Life Cycle Marine Aquaculture Training Workshop, Portsmouth, NH, October, 1990.

Product Life Cycles: The Potential for Striped Bass Aquaculture, Presented paper at AAAS meeting, Washington, DC, February, 1991.

An analysis of the maritime retention strategy in Annapolis, Maryland. Southeast Regional Agricultural Economics Working Group, Clearwater Beach, FL, October, 1992.

A comparative analysis of hybrid striped bass production in ponds and tanks. at the National Aquaculture Extension Workshop, Ferndale, AR, March, 1992.

The product life cycle and its application to aquaculture. at the National Aquaculture Extension Workshop, Ferndale, AR, March 1992.

Economic aspects of the Chesapeake Bay Oyster Fishery: Problems and the Future or Should the Industry be Revitalized? (J. Kirkley, co-author and presenter), Chesapeake Research

Conference, Norfolk, VA, June, 1994.

Managing a Blue Crab Fishery: Lessons from the Chesapeake (L. Shabman & A. Rhodes, co-authors), Presentation at the Blue Crab Fisheries of North America conference, Baltimore, MD, April, 1996.

Blue Crab Economics: The Effects of Harvest Regulations in Maryland, (Abstract) Proceedings of the 49th Annual Interstate Seafood Seminar, Ocean City, MD, November, 1997.

Managing the Chesapeake Bay for Humans. Federally Supported Science and the Chesapeake Bay Program. December, 1998. Laurel, MD.

Pfiesteria's Economic Impact on Seafood Industry Sales & Recreational Fishing. Center for Agriculture and Natural Resource Policy Conference - Pfiesteria: Where Do We Go From Here? Economics of Policy Options for Nutrient Management and Dinoflagellates, Patuxent Wildlife Visitor Center. November, 1998. Laurel, MD.

Pfiesteria's Economic Impact on Seafood Industry Sales & Recreational Fishing. National Sea Grant Program Media Briefing. October, 1998, Washington, DC.

Effects of Nutrient Pollution on Recreational Fishing in the Chesapeake Bay. Center for Marine Conservation Workshop on Nutrient Pollution in Coastal Waters. September, 1998. Washington, DC.

Use of GIS to Determine the Effect of Water Quality on Human Activities. National Sea Grant GIS Meeting, May, 1998, Newark, DE.

Asian Crabmeat Imports: Can the Domestic Industry Compete? Atlantic Fisheries Technology Conference. November, 1999. Atlantic Beach, NC. (Abstract published).

Economic Impact of Pfiesteria on Maryland's Seafood and Recreational Fishing Industry. Workshop on Measuring the Economic Impacts of Harmful Algal Blooms on Florida's West Coast. June, 1999. Mote Marine Lab, Sarasota, FL.

Linking Water Quality to Recreational Fishing Benefits: The Case of Chesapeake Bay Striped Bass. March 1999. Resources for the Future Seminar, Washington, DC.

Alternative Blue Crab Management. Atlantic Fisheries Technology Conference and Interstate Seafood Seminar. November, 2000. Ocean City, MD (Abstract published).

Measuring the Economic Impacts of Eutrophication. National Eutrophication Workshop. September, 2002. Laurel, MD.

Chesapeake Bay Oyster Economics. National Academy of Sciences Panel on the Introduction of Non-Native Oysters to Chesapeake Bay. October, 2002. Fredericksburg, VA.

Estimating the Economic Benefits of Oyster Reef Restoration and Marine Preserve Establishment in the Lower Chesapeake Bay (w/R. Hicks & T. Haab). Spatial Management in Fisheries Workshop. National Marine Fisheries Service. October 2002. Silver Spring, MD.

Economic Impact Of Regulations On Maryland's Crabmeat Processing Industry. Mid-Atlantic Interstate Seafood Seminar. October, 2002. Rehoboth, DE.

Valuing Water Quality Benefits: Case Studies From Chesapeake Bay. University of Washington, Natural Resource Economics Seminar. Seattle, WA. April 2003.

Environmental Valuation. Workshop on Economic Analysis for Environmental Policy and Planning. Orlando, FL. February, 2003.

Economic Value and Eutrophication. NOAA Science Seminar. February, 2003. Silver Spring, MD.

Socioeconomics in Chesapeake Bay Restoration. Invited Keynote Presentation. Challenges of Socioeconomic Research in Coastal Systems: Valuation Analysis and Policy Development, Baton Rouge, LA, May, 2004.

A New Oyster for Chesapeake Bay. Maryland DNR Seminar Series. Annapolis, MD, October 2005.

Economics and Ecosystem Based Fisheries Management. NMFS Ecosystem Based Fisheries Management Workshop. Key Largo, FL. Feb. 2005.

Evaluating Oyster Restoration Alternatives in Chesapeake Bay National Marine Fisheries Service "Good Policy" Seminar Series. Silver Spring, MD December, 2006.

Accounting For Economic Risk and Uncertainty in Offshore Aquaculture: A Case Study of Korean Rock Bream Production U.S. Japan Natural Resources Seminar (UJNR). Ishima, Japan., November, 2006.

The Shifting Economic Picture of Chesapeake Bay's Living Resources. Chesapeake Bay Commission. Virginia Beach, VA. November, 2006.

An Economic Indicator of Eutrophication: Barneget Bay Recreational Fishing. National Estuarine Eutrophication Assessment Workshop. Linthicum, MD May, 2006.

A New Oyster for Chesapeake Bay. University of Delaware Marine Policy Seminar. Newark, DE, March 2006.

Economics of Environmental Impacts of Offshore Oil & Gas Development. Workshop on OCS Development off the Coast of Virginia. Williamsburg, VA December 2008.

Economics of Resources in Mid-Atlantic. Mid-Atlantic Regional Ocean Forum. Baltimore, MD December 2008.

Economics of Oyster Aquaculture. Maryland Oyster Business Plan Workshop. Kent Island, MD, November 2008.

Market and Non-Market Values. Massachusetts Ocean Partnership Workshop. Boston, MA, February, 2010.

The Impact of Nutrient Trading on the Profitability of Oyster Aquaculture Maryland Oyster Meeting, Annapolis, MD, November 2010.

An Application for Valuing Ecosystem Services for Decision-Making: The Programmatic Environmental Impact Statement for Oyster Restoration in Chesapeake Bay Using a Native and/or Nonnative Oyster. AAAS Policy Luncheon, Options for the Oceans, Washington, DC, February 2011.

The Economics of Individual Decision-Making for Chesapeake Bay Management. Scientific and Technical Advisory Committee Workshop: Social Science Research and Chesapeake Bay Restoration, Annapolis, MD March 2011.

Will the Chesapeake Bay TMDL Result in Increased Benefits from Recreational Fishing? EPA Workshop: The Economics of Water Quality Improvement in Chesapeake Bay October 31 - November 1, 2011. Washington, DC 20036.

Contributed Talks

Comparison of scales and otolith for age and growth determination of the alewife (*Alosa pseudoharengus*). Presented to the Atlantic Estuarine Research Society, Annapolis, MD, October, 1980.

The optimum distribution of the middle Atlantic surf clam fleet. Presented to the Atlantic Estuarine Research Society, Richmond, VA, October, 1982.

The problem of evaluating marine fisheries habitat. Presented at Coastal Zone '85, Baltimore, MD, 1985.

Beyond the Commons: Maryland's Oyster Industry American Agricultural Economics Association, Vancouver, BC, Canada, August, 1990

In-Season Spatial Management of Chesapeake Bay Blue Crab. Spatial Processes in Fisheries Management, Wakefield Symposium. Anchorage, AK. October, 1999.

Linking Water Quality to Recreational Fishing Benefits: The Case of Chesapeake Bay Striped Bass. Measuring the Benefits of Recreational Fishing. Fisheries Centre, University of British Columbia, Vancouver, BC. June, 1999.

The Effect of Water Quality on Fishing Productivity. North American Fisheries Economics Forum, New Orleans, LA. With: J. Mistiaen, **D. Lipton** (presenter) and I. Strand, April, 2001.

The Economic Effects of Pfiesteria in the Mid-Atlantic Region. American Fisheries Society Southern Division Annual Meeting. With: T. Haab, J. Whitehead (presenter), **D. Lipton**, J. Kirkley and G. Parsons. February, 2001.

Economic Indicators of Water Quality Degradation. S. Bricker, **D. Lipton** and A. Mason (presenter). American Society of Limnology and Oceanography, Honolulu, HI. February. 2004.

The Economic Benefits of Reducing Eutrophication. D. Lipton. Estuarine Research Federation. Norfolk, VA. October, 2005.

The importance of scale and location to the ecological and economic benefits of restoration. Breitburg, D. (Presenter) Adamack, A, Fulford, . Jordan, T., **Lipton, D.**, Weller, D., Nice, A., Lung, W., Rose, K. Ecological Society of America, Montreal, Canada. August 2005.

Ecosystem Portfolios: A finance based approach to ecosystem management. Sanchirico, J., M. Smith and **D. Lipton**. Assoc. of Env. & Res. Econ. Workshop. Jackson, WY. June 2005.

Development of a Quantitative Methodology for Defining and Assessing Response to Coastal Eutrophication. Ferreira, J. G (Presenter).; Bricker, S. B.; De Wit, M. P.; **Lipton, D** . American Society of Limnology & Oceanography.Santiago de Compestela, Spain. June,2005.

Living Resources: Estuarine Conditions and Commercial Fisheries.: National Estuarine Restoration Conference. New Orleans, LA. December, 2006.

Economic Benefits of Coastal Restoration: Indicators of Success. National Estuarine Restoration Conference. New Orleans, LA. December, 2006.

Sanchirico, J.N., M.D. Smith, and D.W. Lipton, "Ecosystem Portfolios: A Finance-based Approach to Ecosystem Management," *IIFET 2006: Rebuilding Fisheries in an Uncertain Environment*, Book of Abstracts, The Thirteenth Biennial Conference of the International Institute of Fisheries Economics and Trade, Portsmouth, UK, 2006.

Economic Considerations of Chesapeake Bay Oyster Restoration. **D. Lipton**, J. Kirkley, T. Murray. National Shellfisheries Association, Monterey, CA. March, 2006.

Economic Aspects of Native and Non-native Oyster Restoration in Chesapeake Bay: Estuarine Research Federation. Providence, RI, November, 2007

Developing an Economic Indicator of Estuarine Eutrophication: The Asset Value of Estuaries: Estuarine Research Federation. Providence, RI, November, 2007

Virtual Oysters in Chesapeake Bay – A modeling study of productivity and top-down control of eutrophication: Co-Authors: Ferreira, J.; Hawkins, A.; Bricker, S.; **Lipton, D.**; Rothschild, B.; Xiao, Y. Estuarine Research Federation. Providence, RI, November, 2007

A Cost-Effectiveness Analysis of Nutrient Reductions through Oyster Restoration within Chesapeake Bay. Co-Authors: Wenczel, A.; Parsons, G.; Anderson, L.; **Lipton, D.**, Estuarine Research Federation. Providence, RI, November, 2007

Assessing The Economic Viability Of Offshore Aquaculture In Korea: An Evaluation Based On Rock Bream (*Oplegnathus Fasciatus*) Production. D. Kim and **D. Lipton**. World Aquaculture Society Annual Meeting, Busan Korea. May 2008.

The Effect of Nutrient Removal Credits on the Commercial Viability of Oyster Aquaculture in Chesapeake Bay. **D. Lipton** and G. DePiper. Coastal and Estuarine Research Federation Annual Meeting. Portland, OR, Nov, 2009.

The ESE-CBA plan: a comprehensive, integrated approach to assessing the benefits of oyster reef restoration (Poster) M. Lisa Kellogg, H. Ward Slacum, Kennedy T. Paynter, Stephan Able, Steven M. Allen, Linda S. Barker, William Boicourt, David Bruce, Bob Conkwright, Jeff Cornwell, Brad Gentner, Lee Karrh, Jay Lazar, **Doug Lipton**, Don Meritt, Tom O'Connell, Howard Townsend, and Mark Trice. National Shellfisheries Association Annual Meeting, Savannah, Georgia, March, 2009.

Temporary Transfers and Harvesting Efficiency in Maryland Fisheries. J. Holzer and **D. Lipton**. North American Association of Fisheries Economists Biennial Meeting, Honolulu, HA, May 2011

Auction Design, Incentives and Buying Back in Maryland and Virginia Crab Licenses. G. Depiper, **D. Lipton**, N. Higgins and A. Stocking. North American Association of Fisheries Economists Biennial Meeting, Honolulu, HA, May 2011

Payment for Ecosystem Services: Examples from Chesapeake Bay. G. DePiper and **D. Lipton**. International Conference on Shellfish Restorations, Stirling, Scotland, UK, August 2011.

Contracts and Grants

Analysis of Economics and Marketing of Farmed Finfish in the Northeast, Northeast Regional Aquaculture Center, 1989-1991 \$45,600 (*with I. Strand*)

A Business Plan For the Reactivation of McNasbys as a Watermen's Cooperative, City of Annapolis, 1989, \$20,000. (*with I. Strand*)

Development of Coastal Business Initiatives Report and Other Activities, National Sea Grant Office, 1990-1991, \$24,916.

The Demand for Aquacultured Products (*With N. Bockstael and I. Strand*), Maryland Agricultural Experiment Station, 1991-1992, \$18,000.

A Profile of the Northeast United States Oyster Industry, National Marine Fisheries Service, 1990-1992, \$37,218.

Analysis of the Demand for a State Marina in Ocean City, Maryland. Maryland Department of Natural Resources, 1991, \$2,000

Development of a User-Friendly Financial Simulation Model for Aquaculture, Federal Extension Service, USDA, 1991, \$21,800

An Analysis of Marine Biotechnology Research in the U.S. and other Countries, Maryland and National Sea Grant Programs, 1991-1992, \$40,000.

Evaluation of Annapolis Maritime Zoning Strategy, City of Annapolis, 1992, \$5,000.

Competitiveness of Maryland's Seafood Industry, Maryland Office of Seafood Marketing, Rural Development Center, and Virginia Sea Grant Extension Program, 1992, \$8,000.

- An Economic Impact Analysis of Recreational Boating in Maryland. Maryland Boating Administration and Marine Trades Association of Maryland, 1994, \$12,000.
- Marine Biotechnology, Biosafety and Industry. (with Zilinskas and Levin) Maryland and National Sea Grant Programs 1994-1995, \$136,571.
- A Symposium on Environmental Valuation and Economics of the Chesapeake Bay. NOAA Coastal Ocean Program, 1995-1996, \$17,040.
- The Use of Economic Valuation of the Chesapeake Bay Ecosystem In Bay Policy and Management, EPA Region III to Chesapeake Research Consortium, 1996. \$35,000.
- The Importance of Understanding Ecological Complexity to Predicting Effects of Multiple Stressors in Marine Ecosystems. NOAA Coastal Ocean Program, 1997-2000 \$136,000 (w/I. Strand) (part of \$5 million multi-institutional project).
- A Study of the Effect of Excise Taxes on Maryland Documented Boaters. Maryland Department of Natural Resources, Department of Business and Economic Development, Marine Trades Association of Maryland, 1997. \$25,000.
- Development of a NOAA Coastal Economic's Network. NOAA National Sea Grant Program, 1998 - 1999, \$282,280.
- The Economic Effects of Pfiesteria on Seafood Consumption. NOAA ECOHAB Coastal Ocean Program & Sea Grant Program \$12,000 (subcontract to \$120,000 award to Tim Haab, East Carolina University). 2000-2001.
- The Economic Impacts of Recreational Boating in Maryland. Maryland Department of Natural Resources and Marine Trades Association of Maryland. 2000. \$10,000.
- Economic Information for and Environmental Impact Statement on Introducing a Non-Native Oyster to the Chesapeake Bay. Maryland DNR. \$12,000. 2004-2005. (\$23,856 2005-2007)/
- Trophic Portfolios in Commercial Fisheries. NOAA Chesapeake Bay Office. (\$13,675. 2004-2005)(\$15,399 2005—2006)
- Development of a Web Portal for Fisheries and Resource Economics. National Marine Fisheries Service. \$114,952 2004-2007.
- Evaluation of Geospatial Extension. NASA Space Grant. \$10,000 2005-2006.
- Chesapeake Bay Oyster EIS Implementation Cost Assessment Maryland DNR. \$17,650. 2007-2008

Evaluation of Restoration and Mitigation Plant Species. Northeast Regional Aquaculture Center \$26,730 in 2008, \$26,730 in 2008 (w/Webster, Lazur, Terlizzi)

Maryland Sea Grant Extension Program National Sea Grant College Program. \$321,000 in 2011 (w/ all Sea Grant Extension Faculty)

Sea Grant Regional Watershed Restoration Specialists, Maryland Department of Natural Resources, 03/31/2009-03/31/2010 \$144,000

Chesapeake Bay Policy & Economics Technical Support, Maryland Department of Natural Resources, 1/1/2009 - 12/31/2010 (w/D Parker) \$156,320, Lipton share-\$43,770

Maryland Crabmeat Quality Assurance and Industry Development Program, Maryland Department of Natural Resources, 03/01/2009 - 02/29/2012, \$633,658 (w/T. Rippen), Lipton Share - \$316,829

Fellowships, Prizes and Awards

New York State Regent Scholarship1972-1976

National Sea Grant Fellowship (Knauss Fellow).....1979

Excellence in Extension Programs, University of Maryland, College of Agriculture Alumni Association1994

Outstanding Service Award, Marine Trades Association of Maryland.....1998

Seafood Ambassador, Chesapeake Bay Seafood Industries Association.....2002

Editorships, Editorial Boards and Reviewing Activities for Journals and other Learned Publications:

Editorial Boards

Agricultural and Resource Economics Review 2005, 2006

Estuaries - Co-organizer and guest editor, special issue - From Ecology to Economics: Tracing Human Influence in the Patuxent River Estuary and its Watershed - 2001, 2002, 2003

International Journal of Recirculating Aquaculture - 1999-2005

Journal of Water Resources Planning & Management Special Issue Reviewer (10 Papers) - 1999

Reviewing Activities - (Number of articles in parentheses)

Agribusiness - 1991 (1), 2000 (1).

Teaching and Advising

Teaching

Economics of Natural Resource, AREC 453, 1983.

Guest lecturer on fisheries economics to AREC 240, 1989.

Guest lecturer, Agribusiness Management, 1991

Hybrid Striped Bass Aquaculture Short Course (1/2-day) - Aquaculture Economics, April, 1991 & 1992

MEES Guest Lecturer on aquaculture, 1989-1991, 1994, 1996, 1998

Lecture, undergraduate honors course, 1994-1996.

Lecture, Institute of Applied Agriculture, 1997.

NOAA Minority Institutions Seminar - Environmental Economics, I, February, 2000 (Live Webcast)

NOAA Minority Institutions Seminar - Environmental Economics, II, March, 2000 (Live Webcast)

UMCP Gemstone Lecture – The Economics of Harmful Algal Blooms, November 12, 2008

AREC 200 Spring 2010, 2011, 2012- The Chesapeake Bay Ecosystem; The Intersection of Science, Economics and Policy (co-taught with Doug Parker 2010-2011). A Marquee Course in Science and Technology

Advising:

Major Advisor:

Anthony Dvarskas (MEES) 2003-2007, Completed Ph.D. 2007,
Employed, NOAA Damage Assessment

Andrew Mason (MEES) 2003-2008, Completed M.S
2008, Employed NOAA, National Center for Ocean Science

Geret DePiper (AREC) 2009-2012, Completed Ph.D. 2012
Employed, National Marine Fisheries Service, Woods Hole

Dissertation Committee Member

Mark Bundy (MEES), 1993

Kim Young (ANSC), 1994- 2004

Xiaoyu Tang, 2002-2005

Ravissa Suchato 2007-2009

Jorge Holzer 2010

Stephen Kasperski 2011

Dennis Guignet 2011

Shannon Lyons Green (University of Delaware, Marine Policy) 2011

Michele Baggio 2012

Extension Activities:

Aquaculture Programs

Aquaculture exhibit MD State Fair - September, 1988

Economics of Hybrid Striped Culture in Maryland. Presented at Howard County Extension Program, Ellicott City, January, 1989.

Poster Session on Striped Bass Culture Economics. Presented at Annual Maryland Cooperative Extension Conference, Columbia, MD, March, 1989

Economics of Aquaculture in Maryland. Presentation to the Southern Maryland Delegation and Tri-County Council at the Solomons Symposium on Aquaculture. Solomons, MD, October, 1989.

The Potential of Different Aquaculture Technologies in Maryland. Presented at Wye Field Day, Queenstown, MD, August, 1989.

Planning Committee, Aquaculture in the Mid-Atlantic, 1989-1993

Session Coordinator -Economics, Mid-Atlantic Aquaculture Conference, 1990

Testified before Maryland House Environmental Matters Committee re: Tidal Aquaculture, November, 1989.

Panel Moderator-Perspectives on Investing in Aquaculture at Mid-Atlantic Aquaculture Conference, 1989.

Economic Issues in Maryland Aquaculture. to Coastal Resources Advisory Committee, Annapolis, MD, March, 1989.

University Activities Related to Aquaculture Economics. Presented to the Maryland Aquaculture Advisory Committee, Annapolis, MD, March, 1989.

Exhibit at East Coast Fishermen's Trade Exposition, 1989-2010, Seminar Program Organizer – 2009-2010

Organized and chaired session on Marketing Seafood and Aquacultured Products at Annual East Coast Fisherman's and Aquaculture Trade Expo, February, 1991.

Organized special section on "The Economic Potential of U.S. Aquaculture" at the Annual American Academy for the Advancement of Science (AAAS) meetings, February, 1991.

Led session on Comparing Alternative Aquaculture Enterprises at "Mid-Atlantic Aquaculture Conference". Delivered talk on cost-benefit analysis, June, 1991.

Delivered talk on Aquaculture and Product Life Cycles at Mid-Atlantic Aquaculture Conference, June, 1991.

Presentation on Aquaculture at Wye Field Day, August, 1991.

Panelist at meeting on Closed Loop Aquaculture Systems, October, 1991.

Presentation on Economic Considerations in Aquaculture in Carroll County, 1991

Presentation on Economic Considerations in Aquaculture in Baltimore County, 1991

Presentation on Economic Considerations in Aquaculture in Frederick County, 1991

Gave presentation entitled: Economic Considerations in Aquaculture at Frederick County Extension Office, Frederick , MD, March, 1992.

Aquaculture and the Product Life Cycle, Presentation at College of Marine Studies, Lewes, DE, March, 1992.

Organized and chaired session on "Realities of the Seafood Market" at Mid-Atlantic Aquaculture Conference, June, 1992.

AQUASIM PC, An Aquaculture Finance Program - Presentation at Mid-Atlantic Aquaculture Conference, Dover, Delaware, June, 1993.

Using AQUASIM PC - Presentation at Extension meeting, Dover, Delaware, March, 1993.

Seafood Consumption and Hybrid Striped Bass - Presented to the Hybrid Striped Bass Growers Association, Aquaculture Expo, New Orleans, January, 1994.

The Economics of Aquaculture - Western Maryland Aquaculture Workshop, Keedysville, MD, November, 1994.

Niche Marketing in Aquaculture - Presented at Aquaculture Expo, Washington, DC, June, 1995.

Money Making on the Halfshell. Baltimore Sun Interview.

<http://www.baltimoresun.com/news/opinion/editorial/bal-ed.aquaculture24aug24,0,125712.story>
August 24, 2008.

Maryland Oyster Business Plan Workshop, Kent Island, MD, Nov. 6-7, 2008

Farming the Chesapeake. Baltimore Sun Interview.

Fish Farming – Baltimore Sun <http://www.baltimoresun.com/features/green/bal-md.gr.fish01jul01,0,7321797.story>

TV Channel 8, O'Malley Announces Plan to Restore Oysters to Chesapeake Bay, December 3, 2009

Baltimore Sun, O'Malley plans to limit oyster harvest. Dec 3, 2009

Federal Reserve Bank of Richmond. Planned coordinated and moderated an industry roundtable and outreach visit by the Bank President and Officers to the Maryland Eastern Shore to learn about aquaculture. October 2011.

Boating/Marine Trades Programs

Boating Update 1993-1995. Presentation to Marine Trades Economic Development Task Force, Annapolis, MD, August, 1996

Boating Update 1993-1995, Presentation to Board of Directors, Marine Trades Association of Maryland, Annapolis, November, 1996

Boating Update, 1996. Presentation at Marine Trades Association of Maryland Annual Conference, Annapolis, MD, March, 1997.

Pfiesteria and Boating. Panel Moderator at Marine Trades Association of Maryland Annual Conference, Annapolis, MD, March, 1998

Boating Economic Update - 1998. Presentation at Marine Trades Association of Maryland Annual Conference, Annapolis, MD, March, 1999.

Boating Economic Update - 1999. Board of Directors, Marine Trades Association of Maryland, April, 2000.

Boating Economic Update -1999. Presentation at Marine Trades Association of Maryland Annual Conference, Annapolis, MD, September, 2000

Maryland Boater Spending and Impacts - 2000. Presentation at Marine Trades Association of Maryland Annual Conference, Annapolis, MD, September, 2001.

Boating Impacts. Radio interview, WTOP, Washington, DC. July, 2001.

The Economics of Maryland and Virginia Charterboat Industries. Charter Boat Industry Workshop, Ocean City, MD. April, 2001.

Boater Impacts - Briefing to Maryland Eastern Shore Delegation, February, 2002.

Boater Impacts - Briefing to Anne Arundel County Delegation, March, 2002

Maryland Boater Spending and Impacts - 2001. Presentation at Marine Trades Association of Maryland Annual Conference, Annapolis, MD, September, 2002.

Maryland Boater Spending and Impacts 2003. Presentation at Marine Trades Association of Maryland Annual Conference. Annapolis, MD, September, 2004.

CNN Interview – Economic Aspects of Boating, Annapolis, MD, May, 2004.

Testimony to Anne Arundel County Council – Value of boating in Anne Arundel County, October, 2005.

Boating Economics and the Annapolis Boat Shows. Annapolis Capitol. October, 2005.

Maryland Boater Spending and Impacts 2004. Presentation at Marine Trades Association of Maryland Annual Conference. Kent Island, MD, September, 2005.

The Value of Boating. WTOP Radio news. July, 2-2005

Baltimore Sun. Reference on boating value in regard to harbor dredging. May, 2006

Maryland Boater Spending and Impacts 2005. Presentation at Marine Trades Association of Maryland Annual Conference. Kent Island, MD, September, 2006.

.Maryland Boating, 2006 Update 2007 Annual Meeting, Marine Trades Association of Maryland. September, 2007

Maryland Boating, 2007 Update 2008 Annual Meeting, Marine Trades Association of Maryland. September, 2007

TV News Interview (WJZ TV) – High price of gas impacts Maryland boaters.

Fisheries Program

Participated in Chesapeake Bay blue crab management workshop June, 1988.

Testified before Annapolis City Council re: Watermen's Cooperative, May, 1989.

Panel discussion and presentation at the International Oyster Conference, October, 1991.

Presentation on Status of Oyster Industry to the Citizens Advisory Committee, Chesapeake Bay Program, April, 1992.

Presentation to National Marine Fisheries Service, Northeast Region - Cost/Benefit Analysis of Fisheries Management Plans, April, 1992

American Agricultural Economics Association meetings, Organized and chaired session on Limited Access in Fisheries, August, 1992.

Twenty Years of the Maryland Watermen's Association - Presentation at East Coast Fishermen's

Trade Show, Ocean City, Maryland, January, 1993.

Valuation of Commercial and Recreational Fisheries - Workshop on Socio-Economic Data & Analysis for Fisheries Management, Annapolis, July, 1994.

The Cost of Blue Crab Management - Blue Crab Planning Workshop, Annapolis, MD, December, 1995.

Effects of Land Based Pollution on Fisheries - Presentation to the United Nations Environmental Program, Washington, DC, October, 1995.

Pollution and Fisheries: An Economic Overview - Presentation to Conference on Pollution and Fisheries, Baltimore, MD, October, 1995.

The Economics of Chesapeake Bay Blue Crab Management - Presentation to the Chesapeake Bay Commission, Richmond, VA, September, 1995.

Workshop Panelist: A Baywide Perspective on Research Needs for Blue Crab Management in Chesapeake Bay, Baltimore, MD, April, 1996

Economic Issues in Blue Crab Management - Presentation to Bi-State Blue Crab Advisory Committee, Crisfield, MD, November, 1996

Economics of Fishery Resource Allocation, Maryland Department of Natural Resources Resource Allocation Committee, February, 1997

Economics of Blue Crab Management. Bi-State Blue Crab Advisory Committee, Chesapeake Bay Commission. Richmond, VA. October, 1999.

Blue Crab Economics - Testimony for House Environmental Matters Committee, November, 2000.

Investing in Blue Crab - Testimony for House Environmental Matters Committee, August, 2000.

Blue Crab Economic Status, Bi-State Blue Crab Advisory Committee, June, 2000.

Alternative Blue Crab Management. MD-VA Natural Resources Colloquium, March, 2000.

ITQ's in Blue Crab Management. Bi-State Blue Crab Advisory Committee Workshop, Solomons, MD, February, 2000.

Managing Blue Crab. Workshop Organizer, Ocean City, MD, January, 2000.

Economic status and alternative management for blue crab., Ocean City, MD, January, 2000.

Status of the Chesapeake Bay Blue Crab. PWP Sail and Power Club, Fairfax, Virginia, October, 2001.

Chesapeake Bay Blue Crab. Interview and quote. Washington Post. August, 2001.

Chesapeake Bay Blue Crab. Radio Interview. Marketplace, National Public Radio, July, 2001.

Alternative Fisheries Management for Chesapeake Bay. Organize and chair 2-day workshop for the Scientific and Technical Advisory Committee, Chesapeake Bay Program.. Linthicum, Maryland, April, 2001.

Economic Challenges to the Blue Crab Industry. Waterman's Trade Show seminar, Ocean City, February, 2001.

Economic Consequences of Non-Native Oyster Introduction to Chesapeake Bay. Ad Hoc Living Resources Subcommittee, Chesapeake Bay Program. Annapolis, MD. May, 2002.

Blue Crab Regulatory Impacts. Testimony, House Environmental Matters Committee. Annapolis, MD. March, 2002.

Blue Crab Seminar. Organizer, Maryland Watermen's Trade Show and Exposition, Ocean City, MD. February, 2002.

Blue Crab Regulatory Impacts. Chesapeake Seafood Industries Association Meeting. Cambridge, MD. January, 2002.

NOAA Fisheries Habitat Workshop Presentation. Long Beach, CA. April, 2003.

Fisheries Collaborative Learning Workshop (w/ M. Paolisso). Training for VA and NC Sea Grant. NC. December 2003.

Review Coordination:Chesapeake Bay Fisheries Ecosystem Plan . November 2003.

Blue Crab Economics. Maryland Department of Natural Resources Blue Crab Task Force. Annapolis, MD. June, 2003.

Invited Legislative Testimony – Emergency Blue Crab Regulations. AERL. Annapolis, MD. March 2003.
